LOCATION	Ontario Tech University, UA 1220 and virtually (otsu.ca/agm)
DATE & TIME	October 28, 2024, 5:30 p.m.

Dear Ontario Tech students,

On behalf of the OTSU, we would like to personally invite you to our Annual General Meeting (AGM) happening on Monday, October 28 at 5:30 p.m. in the Science Building, Room 1220. [You can also attend virtually.](#)

Pizza and refreshments will be available while supplies last to those attending in-person. If you want to raise an agenda item at the AGM, please fill out a [proposal form](#) by Friday, October 11. If you cannot attend but would like to send an eligible member on your behalf, please fill out a [proxy form](#) by Friday, October 11. Proxy holders must attend in-person for voting.

Our AGM is the most important opportunity you have in shaping the future of your student experience—it is how you can impact the direction of the student union, have your voice heard by student leaders and steer the future of the OTSU by raising concerns and voting on proposals.

What is an AGM?

- The Ontario Tech Student Union's AGM is a yearly gathering between the OTSU's Board, Executives and stakeholders—that's you! At the AGM we'll inform you of what we've been doing, what our priorities are, disclose finances and—most importantly—hear from you.
- The AGM is a platform where you can address the concerns you've raised through the [proposal form](#) regarding governance and policy changes, advocacy issues or service amendments.

The OTSU will address the following items at this year's AGM:

- Becoming an observer of Canadian Alliance of Student Associations (CASA)
- Executive reports and priorities for the year
- Student proposals and Bylaw amendments

If you have any questions or concerns, please contact us at otsu@ontariotechu.ca.

We look forward to seeing you there!

Kind regards,

The Ontario Tech Student Union
