Health Science Board Director Candidate

## Candidate Platform

I'm Anwoy Barua, and I'm running to represent Health Science on the Board of Directors. This role is a stepping stone toward my goal of becoming President of Ontario Tech Student Union. As a HOSA rep, I already advocate for students, and my experience as a photographer taught me how to meet people's needs—just as I will for you. My passion for health science goes beyond money, I love the field and aim to be a doctor specializing in genetics. I want to help shape our faculty's future and ensure student voices are heard. Vote for me, and let's build something great together.

## Candidate Platform

My name is Ifra Khurram. I am running for the Board of Directors position because I am passionate about strong student representation, transparent leadership, and meaningful change. As a committed advocate for Health Science students, I want to ensure that our voices are heard at the highest levels of governance. My goal is to bring fresh perspectives, accountability, and strategic vision to the Ontario Tech Student Union. By overseeing executive decisions and ensuring that student needs remain a priority, I will work to create a more inclusive, supportive, and innovative student experience. Together, we can build a stronger future for Health Science students at Ontario Tech!

## Candidate Platform

Hello Ontario Tech! I'm Lachia Richards, and I'm running for Board Director for the Faculty of Health Sciences because I'm deeply passionate about the success of every health science student at our university. Like many of you, I've faced the challenges of balancing academics, personal life, and everything in between. I've decided to run for this position because I've seen firsthand how difficult it can be to navigate this journey as health science students. But I believe that we can all succeed, and it's my mission to ensure we have the proper support, resources, and opportunities to finish our undergrad years not just by surviving, but thriving. Vote Lachia Richards for the Faculty of Health Sciences Board Director!
